APOTHECARY, *Newport***

This eco-friendly local skin-care line is found at five-star resorts—and at its Newport store. Retaining the original hardwood floor and tin ceiling of this 1800s building, the design reflects Farmaesthetics' aesthetic of vintage cobalt-blue bottles. Facials, acupressure, and massage are also available. 144 Bellevue Ave. 401-619-4199; farmaesthetics.com
