Farmaesthetics Skincare Apothecary & Treatment Boutique
 144 Bellevue Avenue, Newport
 619-4199

“We've waited far too long for one of our favorite local skincare lines to go bricks-and-mortar, and just about a year ago our wish came true. The space which has an old-school pharmacy feel with pressed-tin ceilings, glass-door cabinets and eco-friendly features like a salvaged antique mantel decorated with recycled sea glass holds the full line of Farmaesthetics' coveted all-natural products, for everyone from the baby to the dog. Treatment rooms in the back provide a place for customers to get facials, acupuncture and massage.”
